Dear Tom

Coming into work this morning the staff and I are still shocked at the events that took place on Friday and dismayed at the disrespectful way and abusive manner in which you and your wife were treated by Mr Harvey and Mr Botha.

Had I had prior knowledge of their intentions, I would never have agreed to have them meet with you at the WIETA premises. I had agreed to this, in good faith, understanding that they were willing to meet with you to discuss the questions you had raised. Their aggressive behaviour and attitude in no way reflects the views of this office or WIETA.

I have written a report on the matter to my Chairperson, Mzukisi Mooi, which will get taken to the Board for further consideration.

We wish you and *Lotte* a safe trip back to Denmark.

Kindest regards

Linda
